## ABOUT ME

I'm Kavishka Indeepa 22 year-old aspiring software engineering intern. Currently, I'm an eager learner enrolled as a student at IJSE. My eagerness to acquire new skills allows me to adapt seamlessly to evolving challenges. Punctuality is a value I hold paramount, whether it be for work commitments or organized events. With a combination of ambition, dedication and a commitment to continual growth, I am ready and primed to excel as a software engineering intern. I'm looking forward to contributing my skills and learning from valuable experiences in the dynamic field of software engineering
